

NDIA Conference
MTVR: Perspective from the Field

Robert G. Bohn, Chairman, President & CEO
Oshkosh Truck Corporation
January 29, 2001

The Modern Marine Corps

- ⇒ Constant change
- ⇒ Smaller conflicts, but in all corners of the globe
- ⇒ Mandate for trucks:
 - Capability
 - Deployability
 - Flexibility
 - Supportability

The MTVR is the most mobile truck in the world.

MTVR Capability

- ⇒ 70% off-road mission
- ⇒ Capacity: 7 / 15 tons
- ⇒ 5-foot fording capability
- ⇒ 60% grades
- ⇒ Towing power

MTVR Deployability

⇒ Fulfills vision for quick, agile force

⇒ Transport by:

- C-130
- C-17
- C-5
- C-141
- CH-53
- Ship

MTVR Flexibility

MTVR Supportability

⇒ Designed in:

- Laptop diagnostics
- Level 5 IETM
- Electronic parts commerce system

⇒ Benefits:

- Improved readiness rate
- Improved failure diagnostics & corrective action
- Improved repair cycle time
- Improved parts availability
